in the Beale AFB area.

**Friday, February 20, 2026, at 9:00 - 11:30 AM PT**  
**Beale AFB Community Center**

## Background

The purpose of the Interstate Compact on Educational Opportunity for Military Children (ICEOMC), also called the "Compact," is to remove barriers to educational success imposed on children of military families due to frequent moves and a service member's deployments.

All 50 states and the District of Columbia have signed legislation to become part of the Compact. In 2017, the Department of Defense (DoD) joined the Compact by signing a memorandum of understanding and adopting the DoD Instruction 1342.29. This means military kids are covered by the Compact regulations when transitioning between public or Department of Defense Education Activity (DoDEA) schools.

The Compact 101 provides participants with an overview of the education protections afforded to military-connected children, while the interactive Compact 201 focuses on discussing case studies, Compact misnomers, and best practices. Attendees will receive a workbook and resource materials prior to the session.

For more information about the Compact, visit [mic3.net](https://mic3.net).

## The training will address

- Why the Compact is important
- What parents and schools need to know
- What the Compact does and does not cover
- Resources, information, and how to request assistance

\*Attendees who successfully complete the Compact 101 Quiz will be eligible for a certificate of completion.
